At this Examination Candidates will be permitted to take up any one of the following branches of Natural Science, viz.—Agricultural Chemistry, Botany, Geology, or Zoology, for which 350 marks will be allowed. Candidates

(d) A considerable portion of the marks for English History and Literature will be allotted to the works elected by the Commission. (See Notice on p. 4.) In awarding marks for this, regard will be had partly to the extent and importance of the periods of books selected, but chiefly to the thoroughness with which they have been studied.

(e) The Examination will range from Arithmetic, Algebra, and Elementary Geometry, up to the elements of the differential and integral calculus, including the lower portions of applied Mathematics.

(f) The standard of marking in Sanskrit and Arabic will be determined with reference to a high degree of proficiency, which may be expected to be reached by a Native of good education.

11. Any Candidate who, at any of the periodical Examinations, shall appear to have wilfully neglected his studies, or to be physically incapacitated for pursuing the prescribed course of training, will be liable to have his name removed from the list of selected Candidates.

12. The selected Candidates who, at the Final Examination, shall be found to have a competent knowledge of the subjects specified in Regulation 9, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of nationality, age, health, character and ability to ride, shall be certified by the said Commissioners to be entitled to be appointed to the Civil Service of India, provided they shall comply with the regulations in force, at the time, for that Service.

13. Persons desirous to be admitted as Candidates must apply on Forms,* which may be obtained from "The Secretary, Civil Service Commission, London, S.W.," at any time after the 1st December 1887. The Forms must be returned so as to be received at the office of the Civil Service Commissioners on or before 31st March 1888 (i).

The Civil Service Commissioners are authorized by the Secretary of State for India in Council to make the following announcements:—

- (1) Selected Candidates will be permitted to choose, according to the order in which they stand in the list resulting from the Open Competition, so long as choice remains, the Presidency (and in Bengal the division of the Presidency) to which they shall be appointed, but this choice will be subject to a different arrangement, should the Secretary of State, or the Government of India, deem it necessary (k).
- (2) The Probationers, having passed the necessary Examinations, will be required to report their arrival in India within such period after the grant of their Certificate of Qualification as the Secretary of State may in each case direct.
- (3) The seniority in the Civil Service of India of the Selected Candidates shall be determined according to the order in which they stand on the list resulting from the Final Examination.
- (4) An allowance amounting to £300 will be given to all Candidates who pass their probation at one of the Universities or Colleges which have been approved by the Secretary of State, viz., the Universities of Oxford, Cambridge, Dublin, Glasgow, Edinburgh, St. Andrew's, and Aberdeen; University College, London; and King's College, London; provided such candidates shall have passed the required Examinations to the satisfaction of the Civil Service Commissioners, and shall have complied with such rules as may be laid down for the guidance of Selected Candidates.

Candidates are not permitted to migrate from the University originally chosen by them to another University without first applying to the India Office for the permission, and receiving the sanction, of the Secretary of State, who will not entertain such applications unless good and sufficient reasons are assigned.

- (5) Selected Candidates desiring to remain in this country an additional year after the completion of their two years' probation for the purpose of taking a degree at one of the Universities above mentioned, should apply to the Secretary of State for India for permission to do so. Besides the allowance above mentioned, a bonus of £150 will, as a temporary and experimental measure, be paid to any Candidate who, having obtained permission to remain an additional year, passes an examination qualifying for a degree in Honours at Oxford or Cambridge, or being a student of University College, London, passes with credit an Honour Examination of the University of London. This privilege will be hereafter extended to any other of the Universities above referred to, at which an academical distinction is obtainable which, in the opinion of the Secretary of State, corresponds to a degree in Honours at Oxford or Cambridge, and to obtain which the additional year's residence in this country is necessary.

- (6) All Selected Candidates will be required, after having passed the first periodical Examination and before receiving the first instalment of their allowance, to attend at the India Office, for the purpose of entering into an agreement binding themselves, amongst other things, to refund in certain cases the amount of their allowance in the event of their failing to proceed to India. A surety will be required.

* Forms of these Regulations and of the form of application may be obtained on application to the Secretary to the Government of India, Home Department.

(k) These forms should be accompanied by evidence on the points mentioned in Regulation 9, and by a list of the subjects in which the Candidate desires to be examined. Evidence of health and character must bear date not earlier than 1st March 1888. Applications for leave to alter or add to the list of subjects named will not be entertained unless received on or before the 1st of May.

(l) The above rules will be revised immediately after the result of the Open Competition is announced on such day as may be fixed by the Civil Service Commissioners.

- (7) After passing the Final Examination, each candidate will be required to attend again at the India Office, with the view of entering into covenants, by which, amongst other things, they will bind themselves to agree to such Regulations for the provision of pensions for their families as may be approved by the Secretary of State for India in Council. The stamps payable on these covenants amount to £1.
- (8) Candidates rejected at the Final Examination of 1890 will in no case be allowed to present themselves for re-examination.

Rule 24.—If the lessee desires to establish communication across the ferry by means of a bridge of any kind, he shall first obtain the sanction, in writing, of the Magistrate, and shall on obtaining such sanction, carry out any orders which the Magistrate may make regarding the opening of such bridge for the through passage of vessels and rafts. Such bridge shall on no account obstruct the free passage of the stream.

Rule 25.—The Magistrate may at any time require the lessee to repair or replace any boat which he considers to be in a dangerous state of disrepair, and the lessee shall thereupon be bound to repair or replace it as directed.
